

Dry Seed Mix

“Australian Grass Parakeet and Lovebird Mix”*

This proprietary mix is diluted 50:50 with plain canary.

“Conditioning Canary and British Finch”*

This tonic seed mix is offered sparingly 2 – 3 times a week.

Softfood Mix

1 part grated carrot
1 part finely chopped spinach
1 part finely chopped chicory
1/3 part wheatgerm
1 – 2 parts EMP
1 hardboiled egg

All mixed to a crumbly consistency with a sprinkling of Birdcare Company Daily Essentials 3.

Sprouted Seed Mix: 6 parts “Germination/Soak Seed”*

1 part Small Sunflower

1 part Mung Beans

Soaked 24 hours in water with Aviciens. Rinsed thoroughly (do not drain). 12 hours in propagator. Rinse again. Stir into softfood mix and serve!

Grit Mix:

1 part fine mineral grit

1 part fine oystershell

1 part (or what is available) crushed baked eggshells.

Cuttlefish bone available separately

*These mixes from Albert E James & Son Ltd “Country Wide” range of bird mixtures (Tel: 01275 463496)

Cage Litter: “Easibed” stable litter. Available from equine and pet supplies stockists.
